

The Pennsylvania Athletic Trainers' Society Announce Corporate Sponsorship with Troy Healthcare, LLC; Makers of Stopain

The Pennsylvania Athletic Trainers' Society (PATS) entered a 3 year Corporate Partner agreement with Pennsylvania based Troy Healthcare, LLC who produce Stopain, a topical analgesic. As part of the relationship Stopain will become the title sponsor of the Annual PATS Student Symposium allowing for student discounts and the ability for more students to participate in educational opportunities.

Harrisburg, PA ([PRWEB](#)) March 30, 2016 -- The Pennsylvania Athletic Trainers' Society (PATS) recently entered a 3 year agreement with Troy Healthcare, LLC who produce Stopain, a topical analgesic and a Pennsylvania Athletic Trainers Society (PATS) Corporate Partner. Troy Healthcare is based in Hazelton, PA.

Stopain products are formulated for fast, temporary pain relief. The active ingredient in all Stopain products is menthol, which is recognized by the FDA as an analgesic indicated for the temporary relief of muscles and joints ailments.

Anthony Cicini, Vice President of Troy Health states, "With Troy Healthcare being a PA based company it made total sense to us. Partnering with such a fine organization and participating at their annual expo and symposium is exciting to us. We are looking forward to being able to interact with the students and becoming more involved with the entire PATS"

With the agreement, Stopain will be the title sponsor of the PATS Student Symposium allowing for more students to participate in educational opportunities. "This partnership with Stopain is so important for our student members. Having the ability to attend educational symposiums with minimal costs is priceless" stated PATS president John Moyer. Stopain will also become an exhibitor at the PATS, annual symposium, as well as a recognized sponsor on the PATS website at www.gopats.org
