

Bill Frye, LAT, ATC, ITAT

PATS NC Representative

Pivot Sports Medicine

PA Regional Coordinator

Troy High School

Graduate of Lock Haven University in 2001, I have 18 years of athletic training experience at the secondary/private school level. For the past 6 years I have been working for Pivot Physical Therapy/Sports Medicine as an athletic trainer for Troy High School. At Pivot I hold the Regional Coordinator position where I supervise the company's other Athletic Trainers in Pennsylvania. Currently I am the Pennsylvania Athletic Trainers' Society North Central Representative. I have held the executive board position since June of 2016. I am passionate about the profession of athletic training and have committed my life to the profession through giving back in any way I can.
