

Cheree Iadevaia, MS, LAT, ATC is a board certified and licensed Athletic Trainer in the Commonwealth of Pennsylvania who joined the St. Luke's Sports Medicine team in August 2017. Cheree earned her Bachelor of Science in Athletic Training at Lasell College in Newton, Massachusetts in 2012 and a Master of Science degree in Exercise, Nutrition and Food Science at South Dakota State University in Brookings, South Dakota in 2014. While working towards her degree at South Dakota State University she worked as a Graduate Assistant Athletic Trainer where she provided services to 3 local high schools. In 2014 she moved to Eastern Idaho where she acted as the Head Athletic Trainer for 2 school districts. Since 2012, she has provided athletic training services to US Youth Soccer's Olympic Development Program at various domestic and international events. Currently she serves as the primary athletic trainer for football, wrestling and baseball student-athletes at Easton Area High School.
