

National Athletic Training Month 2019 Food Drive

We are in a profession of service and one of our PATS Values Statements is as follows:

“Serving as a resource for the public”

There is no better way to be a resource than to help people/students in need. The PATS Student Symposium will be held during the dates of March 22-23 at Lebanon Valley College. The food that is collected and brought to Lebanon Valley College by each AT program will be given to the Dutchman Pantry – an on-campus food pantry for students who need assistance. Any additional food that the Pantry cannot take will be given to the Caring Cupboard Food Pantry located in Palmyra, Pa. If your students are planning to attend the student symposium - please share this information and challenge your students to help make a difference and collect the following items:

- Peanut Butter (to go size)
- Shelf Stable 100% Fruit Juice
- Canned Chicken and Tuna
- Single serve Macaroni and Cheese
- Shelf Stable Milk 8oz
- Almonds
- Individual Fruit Cups 4oz
(peaches, pears, mixed fruit)
