On behalf of the Board of Directors, I would like to welcome you to the 30th Annual Meeting and Clinical Symposium of the Pennsylvania Athletic Trainers' Society. The Convention Committee, headed by Eric Lippincott, has worked tirelessly to put together a great meeting. I hope you have taken advantage of the educational opportunities put together by program co-directors Jody Preische and Jason Scibek, enjoyed the social events by Jessica Baum and enjoyed your time in the exhibit hall, coordinated by Matt Keller. Also involved in the convention were Elizabeth Gulich, Registration Director, Josh Drouin, Site Coordinator and Adam Richmond Audio-Visual Director. When you see these individuals please thank them for all their efforts and hard work!

Today, we will recognize our future by giving four scholarships to deserving athletic training students. Earlier this year, two additional scholarships were presented.

Bonnie Virag, of Duquesne University was the recipient of the Southwest River Run Scholarship - a joint venture with UPMC and PATS. Jamie Reiger, of Alvernia University, received the Northeast Pennsylvania Athletic Training scholarship at their race.

The bond between physician and athletic trainer in the Commonwealth continues to be strengthened. Today we will highlight this relationship with the presentation of the Team Physician Award. We will also thank outgoing Board of Directors for their service to the Society and present a Service Award to an individual that has made multiple contributions to PATS over the years.

Today we induct one of our colleagues into the Pennsylvania Athletic Training Hall of Fame: Steve Nemes, ATC. Steve has impacted our profession in numerous ways often behind the scenes and through his professionalism throughout his career. On behalf of the athletic trainers in the Commonwealth of Pennsylvania, CONGRATULATIONS!

Lastly, please welcome our newest Board members, Amy Barrall (Northwestern Representative), Jason Erlandson (Northcentral Representative), David Marchetti (Treasurer) and Yvette Ingram (President Elect). If you see any of these new Board members, please be sure to congratulate them and thank them for their future service to PATS. I speak for all the members of the Board when I say it is an honor and a privilege to serve our Society and its members.

In closing, I would like to take this opportunity to thank everyone for their support during my tenure as the President of PATS. It was an honor and a privilege to serve you, my fellow athletic trainers in Pennsylvania.

CLOSING REMARKS

Tom West, President, PATS

Steven J. Nemes

Steve Nemes was born and raised in Bethlehem, Pennsylvania, and he later returned to the Lehigh Valley to pursue his professional goals. He is a 1973 graduate of Parkland High School, where he developed a strong interest in the medical fields. Steve initially thought dentistry was in his future. He attended Lehigh County Community College, where he met Dr. Ed Daveheiser, a professor and friend, that suggested Steve consider athletic training. Dr. Daveheiser arranged for Steve to meet with Fran Sheridan at LaFayette University. Fran directed

Steve to Phil Donley at West Chester University, where he enrolled. At West Chester, although a biology education major, Steve was mentored by Phil Donley, Joe Godek, and Brad Taylor. He completed his junior year internship at Cheyney University under Joe Iezzi and his senior year under Ron Pearson at Owen Roberts High School while student teaching. Steve was obviously a hard-working student who was mentored by some of the best in the athletic training profession.

In 1978, Steve successfully completed the internship route by passing the National Athletic Trainers' Association (NATA) Certification Exam, and he accepted a job at his old high school teaching biology and serving as the athletic trainer. He served the athletes at Parkland High School from 1978-1982 before moving to the position of Head Athletic Trainer at Muhlenberg College in Bethlehem, Pennsylvania, a position he still holds today. He has overseen many changes over the years, including the latest renovation of their sports medicine facility and increases in both the number of sports and number of student-athletes. Steve has also grown his athletic training staff from one to four certified athletic trainers over the years. He has developed and maintains a dynamic and up-to-date website for his athletes, parents, staff, and visitors to use.

Steve was honored by PATS with a Board of Directors' Service Award in 1996 for his many years as a member, and later, was Co-Chair of the College/University Athletic Trainers' Committee (1994-2003), Chair of the Ethics Committee (1994-1998), and Chair of the Nominations and Election Committee (1998-1986). Steve also received the PATS Board of Directors' Honor Award in 1988. He served as the Eastern Representative on the PATS Board of Directors from 1986-1988.

Steve has served the Eastern Athletic Trainers' Association since 2005 as a member of their Workshop Committee and has served as the Chair since 2008. He has been recognized by the NATA with their 25 Year Award. Steve has promoted the profession of athletic training with presentations to many local organizations on safety in athletics and development of young athletes and coaches. He serves as an Approved Clinical Instructor for East Stroudsburg University, and volunteers for the Olympic Movement, PA Special Olympics, the Keystone Games, and the Allentown Sports Festival.

Steve is revered, honored, and respected at Muhlenberg by his peers, student-athletes, and their parents for his gracious attitude, hard work, and love for his profession. He is "grateful for the opportunity to work with student-athletes, and watch them grow, mature, and sometimes 'heal' during their time here."

Steve is very active in his church, the Knights of Columbus, and the Girls Basketball Booster Club. He is married to Linda (1993), and they have a daughter, Jennifer (1995).
