Greetings from the President

Greg Janik

On behalf of the Board of Directors, I would like to welcome you to the 31st Annual Meeting and Clinical Symposium of the Pennsylvania Athletic Trainers' Society (PATS). The Convention Committee, headed by Eric Lippincott, has worked diligently to put together another tremendous meeting for each one of us. I hope you have taken advantage of the educational opportunities put together by program co-directors Jason Scibek and Scott Heinerichs, enjoyed the social events by Jessica Baum and enjoyed your time in the exhibit hall, coordinated by Matt Keller. Also involved in the convention were Elizabeth Evarts, registration director and Adam Richmond, audio-visual director. When you see these individuals please thank them for all their efforts and hard work!

Today, we will recognize our future by giving four scholarships to deserving athletic training students. Earlier this year, Jessica Johns from Duquesne University was the recipients of the Southwest River Run Scholarship - a joint venture with UPMC and PATS.

The athletic training profession continues to progress due to the strong bonds between physicians and athletic trainers in the Commonwealth. This year PATS further demonstrated our leadership with sports health issues by adding the Mild Traumatic Brain Injury Forum and invited our physicians and all health care professionals in order to discuss the team approach to effective concussion management.

We will also thank an outgoing Board of Director for her service to the Society, present a Service Award to an individual that has made multiple contributions to PATS over the years, and honor two respected and well-deserving members with Distinguished Merit for their extraordinary dedication to PATS.

Today we induct one of our colleagues into the Pennsylvania Athletic Training Hall of Fame: George Roberts, ATC. George has impacted our profession for a long time in an abundance of countless ways and yet he still continues to be a driving force for the advancement of our profession, particularly with our legislative efforts. On behalf of the athletic trainers in the Commonwealth of Pennsylvania, CONGRATULATIONS!

Lastly, please welcome our newest Board member, Scott Kimbel (Southcentral Representative). Also, welcome back for a second term, Scott Dietrich (Northeaster Representative) and Jody Preische (Secretary). If you see any of these new Board members, please be sure to congratulate them and thank them for their future service to PATS.

In closing, I would like to take this opportunity to thank everyone for their support during my first year as the President of PATS. I know I speak for all the members, who serve or have served PATS, when I say it is an honor and a privilege to serve our Society and its members.

PATS Service Award

The 2011 recipient of the PATS Service Award is **Phillip B. Donley**. Phil has spent more than five decades providing service to his students, athletes, athletic trainers, patients, and his country.

Retired Colonel Donley has worked as a physical therapist, an instructor, an assistant athletic trainer, a program director, and a consultant. In 1965, Phil began his nearly three decade tenure at West Chester University as a Professor of Physical and Health Education and Athletic Trainer, later assuming the role of Program Director. He retired from the State System in 1991 but did not stay retired for long. He was the owner of Private Practice Sports Medicine and currently works as a lecturer for Dogwood Institute and as a Physical Therapist for Optimum Physical Therapy Associates. Throughout all this time, he has been a consultant for the Philadelphia Phillies Baseball Club, the Philadelphia Eagles, and the Philadelphia 76ers.

Phil's service record is exemplified by his lengthy list of awards. He has been the recipient of the EATA Cramer Award, the PATS Distinguished Service Award, and the NATA Distinguished Athletic Training Educator of the Year. He has been inducted into four different Hall of Fames: the NATA, School of Physical Education at West Virginia University, Pennsylvania Athletic Training, and the West Chester University Sturzebecker Foundation. Most recently he was named Distinguished Athletic Trainer by the American Orthopaedic Society for Sports Medicine (AOSSM) and was awarded an honorary Doctor of Science Degree from Shenandoah University in Winchester VA.

On a national level, his service continues in many forms, he has authored 11 editions of a textbook, contributed to 12 other text books, served as an editor for 2 books, presented 48 papers to professional societies, just to name a few. He has presented to over 225 civic and sports medicine groups. Phil is responsible for hiring the first full time college female Faculty/Athletic Trainer in the country. His service to the Commonwealth of Pennsylvania is invaluable. He developed the first NATA Approved Athletic Training Education Program in the state of Pennsylvania, instituted the first co-educational college/university NATA Approved Athletic Training Education Program in the country, and established the first college summer program for college credit for Athletic Training Education. Mr. Donley is one of the founding members of the PATS and the first PATS Eastern Representative.

The current Board of Directors would like to thank Phil for his guidance as we work through our legislative efforts for licensure. He cares deeply enough to remain involved, provides a historical perspective, and appropriately advises the Board when needed. Recently he has accepted a position on the NATA Hall of Fame Committee where he evaluates the candidates being considered for this honor. This committee is currently investigating the criteria so those who have significantly served in their states organizations may be considered for the NATA HOF.

Phil joins David Tomasi as the only two recipients to win all three PATS awards: The Hall of Fame, Distinguished Merit, and the Service Award. Mr. Donley has consistently demonstrated the criteria necessary for a PATS Service Award. Phil's commitment to the Athletic Training Profession is exemplary as he continues to lead by example. Thank you and congratulations Phil.

Distinguished Merit Awards

The Distinguished Merit Award is awarded to a certified athletic trainer who has been in practice for a minimum of ten years and who has held offices and/or committee positions, been involved in liaison activities, public law activities, and other organizational administrative, or public relations activities at the national, district, and state levels. The individual must have held positions in the state directly related to athletic training, sports medicine, fitness, health, or athletics; promoted athletic training in Pennsylvania not related to PATS; and been involved in coverage of regional and state level athletic events separate from regular, full-time employment duties. The Distinguished Merit Awardee also must be involved in publication of research and done presentations to peers and/or other health care professionals, as well as promote athletic training at conferences and/or symposia.

Larry Cooper

Glen "Larry" Cooper, ATC, has been a certified athletic trainer for 27 years and has worked at the Secondary School level for the past 18 years at Penn Trafford High School. Larry deserves the distinguished merit award for his tireless efforts of promoting athletic trainers in the secondary school setting. He has been a positive influence on patients, students, administrators and the organizations he serves. Congratulations Larry.

Gary Hanna

Gary R. Hanna, M.S., M.S.S., ATC, has been a certified athletic trainer for 33 years. Gary has worked for 28 years at the College/University level and the past 21 years have been at Edinboro University. Gary deserved the DMA award for his dedication to PATS through serving on various committees and the Board of Directors. Gary is also a highly respected collegiate athletic trainer who serves his athletes, University, and profession well. Congratulations Gary.

2011 Hall of Fame Inductee

George Michael Roberts

George M. Roberts is a Titusville, Pennsylvania native, who received his Bachelor's degree from Edinboro University through an Athletic Training Internship Program and attending the West Chester University's summer program. He became a Certified Athletic Trainer in 1976. George completed his first Master's Degree from Slippery Rock University in Health Science in 1980. He received a second Master's Degree from Edinboro University in School Administration in 1990.

George's legacy may be that he was a "serviceman." Although, during his time as a young man, he was never called to serve his country. He has always accepted the mission of his chosen profession, "to serve." Whether it be a patient in a clinic, a high school athlete, an Olympian, or a college athlete, he felt obligated to serve. He always performed to the highest standards, and his athletes appreciated his work ethic and his character.

George has always been available to serve his profession by serving on various committees and in leadership positions in the Pennsylvania Athletic Trainers' Society. He has served as PATS Northwestern Representative, 2006-2010, and as Chair of the Governmental Affairs committee from 2006-2010.

George was very active in the NATA, District II, and Pennsylvania. He served as an NATA Test Administrator from 1979-1999 and as Chair of the District II Governmental Affairs Committee from 1999-2008. He also chaired the Athletic Training Advisory committee to the Pennsylvania Board of Physical Therapy from 1996-2002. He was confirmed by the Pennsylvania Senate in 2010 as the Chair to the Allied Health Professionals Committee on the Pennsylvania State Board of Medicine. George, as an educator, has also served the NATA on the Educational Degree Task Force from 2007-2009 and as an advisor to the Rangos School of Health Sciences at Duquesne University—Athletic Training Education Committee, 1985-1999. George received the PATS Service award in 2003.

George has been a driving force behind the scenes for our legislative efforts with the NATA in Washington D.C. and PATS in Harrisburg. He was instrumental in assisting PATS with finding our current lobbyists, The Winter Group. The hiring of our current lobbyists has increased PATS presence with legislators in Harrisburg, and it has allowed PATS to be significantly involved with sports health legislation.

George was very active serving the United States Olympic teams. He was selected as an athletic trainer for four Olympic Sports Festivals; 1981, 1982, 1983, and 1987. He worked the world University Games in 1983, and he served as a Staff Athletic Trainer at the 1984 Summer Games in Los Angeles, CA and at the 1992 Summer Games in Barcelona, Spain.

George has served Edinboro University as an Associate Professor and Head Athletic Trainer from 1985-2004. Currently, George teaches numerous skills courses at the University, in addition to Applied Human Anatomy and Physiology.

George and Penny have been married for 34 years, and they have a daughter, Kristin, son, Brian, son-in-law, Brian, and two granddaughters, Sydney, 5, and Madison, 3. It is with great honor, pride, and respect that we welcome George M. Roberts to the Pennsylvania Athletic Trainers' Hall of Fame Class of 2011.
