

2017 Special Olympic Summer Games Call for Athletic Trainers

The Special Olympics Pennsylvania Summer Games will be held June 1st-3rd at the Pennsylvania State University main campus in State College. Each year this event brings together over 3,500 athletes, coaches, and volunteers from across Pennsylvania. Athletic Trainers and Athletic Training Students from across the Commonwealth volunteer their time and athletic training skills to make the games a safe and competitive environment. This event is a unique opportunity to work with a diverse population of athletes and spend a weekend having fun, making new friends, and unforgettable memories! The Coordinators of Athletic Training Services are so grateful for the time the Medical Staff puts in each year and hope to meet many more area Athletic Trainers and students, as well as welcome back those who continue to return year after year!

Volunteer information can be found on the PATS website or by contacting Jayme Galdieri, MS, LAT, ATC at jdgaldieri@geisinger.edu.

Athletic Training Students and Athletic Training Program Directors should contact Justin Beaupre, MS, LAT, ATC at jbeaupre@bloomu.edu
