## INTRODUCTION:

The Pennsylvania Athletic Trainers' Society, Inc. is accepting applications to honor the outstanding students from the membership of PATS, Inc. These scholarships will be awarded to students who have demonstrated success academically and excelled as professional (entry-level) athletic training students. Currently, five \$2,000.00 scholarships will be awarded annually to deserving students in entry-level accredited programs who have participated with distinction in a college or university athletic training program. These scholarships are meant to encourage the recipient to pursue their education in athletic training and a career in athletic training.

Any Licensed/Certified or Licensed/Certified-Retired member of PATS, Inc., in conjunction with the program directors of the students' institution, may nominate no more than one candidate for this award. Additionally, no more than two candidates can be nominated from any one institution. The PATS, Inc. Licensed/Certified or Licensed/Certified-Retired member and/or the program director of the students' institution are responsible for establishing the candidate's eligibility.

**All materials are to be completed (forms must be typed)** and forwarded in one package to the PATS, Inc. Honors and Awards Committee at the address listed on the cover of this packet. **This is the responsibility of the applicant.**

In the spirit of these awards, previous winners may not apply for a second scholarship. However, candidates that applied and did not earn a scholarship in a previous year may reapply in a subsequent year if they have eligibility remaining.

The PATS, Inc. Honors and Awards Committee will evaluate the candidate's applications, conduct formal interviews of the qualified candidates (at the convention), and announce its selections to the membership at the PATS, Inc. annual meeting in May/June.

## CRITERIA FOR THE STUDENT SCHOLARSHIPS

To be eligible for consideration for a PATS, Inc. Scholarship, an applicant shall:

- have been a student member of PATS for a minimum of six months prior to the application deadline.
- currently be enrolled in a CAATE approved/accredited curriculum or a program in CAATE candidacy within the Commonwealth and:
  - if a student in an undergraduate program, they shall be considered during their third/fourth year.
  - if a student in an undergraduate program requiring more than four years of a baccalaureate degree, they shall be considered during their fourth year.
  - if a student in a professional (entry-level) Master's degree program, they shall be considered during their first year of study and should apply after completion of their first semester in the Master's program (applicants must send both undergraduate and graduate transcripts).
- signify an intention to pursue the profession of athletic training as a means of livelihood
- distinguish oneself through service initiatives, clinical and academic performance, and excel as an athletic training student at their institution. The emphasis of these awards is student involvement outside of the classroom (above and beyond required experiences).
- perform with distinction as a member of the Athletic Training Student Program at their institution.
- conduct oneself in a manner which has brought credit to themselves, their institution, and/or intercollegiate athletics and higher education.
